

Getting a Free Canva Pro Account for Non-Profits

To get a free Canva pro account, you must be a registered non-profit organization. Go to the following link for information and to apply.

Schools and educators must go through the Canva for education site.

If you are not eligible for a free pro account, you can subscribe to pro for \$15/mo. Or \$120 annually, which is \$10/mo.

To apply, log in to your existing Canva account, then navigate to the above link. There you can see all the Eligibility Guidelines or Apply for Canva Nonprofits.

Key Points to Consider:

- **Prevent Charges:** If your trial ends before the nonprofit application is approved, you will be charged the monthly fee. Canceling beforehand ensures you are not billed while your status is pending.
- **Continuation:** If approved, your account will switch from the trial to the free nonprofit plan seamlessly.
- **How to Apply:** You can apply through the [Canva for Nonprofits page](#) using documentation to verify eligibility.

If you are close to the 30-day trial limit, it is safer to cancel the trial and operate on the free version until approved for the nonprofit program.
